SERVICES BY COMPUGEN

## Order Process

Please ensure you fill out the order information accurately before submitting. Payment must be made by credit card at the time of order placement. Once the transaction is complete, you will receive a confirmation notification via email. In this notification, you will find a link to the status of your order. Once your order ships, the link will be updated, with shipping information and the ability to request an invoice.

## Terms and Conditions of Purchases made via this website:
